

AGM Report 2021

2021 saw our first meeting for nearly 2 years, when we managed to hold a number of meetings by resorting to zoom and outdoors on the Triangle and eventually indoors.

Achievements this year include:

Raising £1300 to fund defibrillator at the Exmouth for another 4 years as well subsequent awareness training for members

Launching an inaugural flower box festival on the Triangle.

Organising a record breaking 153 Advent Windows

Raising £634-12 on the Santa Run for the Salvation Army and Local Families.

Raising awareness of issues to be addressed in the Bath road and successfully securing a grant for £3000 from the County Council to brighten up the Bath Road in conjunction with SPaJRA.

We now have a History Weekend to look forward to this year having already secured a £300 grant to fund notice boards.

Thank you to Lucy for looking after the website, to Karen for all the hard work that goes into Advent Windows, To Elise for keeping the Triangle blooming and finally to Rob, Graeme, Ian, Lucy & Karen for being Father Christmas and his band of Elves.
